1. What are *your* Start-Up Income Protection policy benefits?

Your Sovereign Start-Up Income Protection policy can provide financial assistance in the event of *total disability*.

Details of the Start-Up Income Protection Benefit (benefit) and the name of the life assured are shown in *the schedule*. The terms of *your* benefit are also contained in this policy.

Provided *your* claim is accepted, Sovereign Assurance Company Limited (Sovereign) will pay the benefit to the policy owner.

Your policy commences from the *risk commencement date*.

To qualify for a benefit the life assured must be:

- > an owner of the *business*; and
- > *actively involved* in their *business* on the *risk commencement date*; and
- > residing and working in New Zealand at all times during the *policy term*.

In addition, the life assured's *business* must be *operating* at all times during the *policy term*.

At three years after *risk commencement date*, the provisions of Section 8 will apply.

2. Enhancement Pass Back Benefit

If at any time in the future, we make a change to a section and/or provision within a section of our Sovereign Start-Up Income Protection policy and the change is favourable to *you*, the enhanced section and/or provision will automatically be applied (passed back) to this policy, subject to the following:

- > At claim time we will compare the enhanced section and/or provision in the latest version of Sovereign Start-Up Income Protection with this policy and will apply the section and/or provision that is most favourable to *you*. We will not apply changes to sections and/or provisions set out in earlier versions of Sovereign Start-Up Income Protection which are not included in the latest version.
- > The enhanced section and/or provision will only be applied to this policy if it relates to a benefit for which *you* have cover under this policy.
- > The enhanced section and/or provision will be 'applied' to this policy with effect from the *pass back date*.
- > The enhanced section and/or provision will only apply if the *claim event* first occurs on or after the *pass back date*. Eligibility criteria for individual benefits will still apply.
- > If the *claim event* first occurred before the *pass back date*, then the claim will not be assessed or reassessed using the new wording.
- > Any underwriting exclusions or special terms that apply to this policy will not be altered by any enhanced section and/or provision.

- > Any associated increase in *premium* required will be applied when *your premiums* are next reviewed.
- > Enhancements will not be passed back to built-in benefit sections and/or provisions that have subsequently become optional benefits or no longer exist.

For the avoidance of doubt, where the definition of a provision or provisions is enhanced under this benefit, the enhancement will only be applied in respect of that provision or the provisions *you* are making a claim for.

If the nature of the change to a section and/or provision means that it cannot be determined at the time of submitting a claim whether the change will be clearly favourable to *you* or not, *you* will need to elect whether or not the change will apply to the claim. After you have made the election, this election cannot be changed.

3. When will Sovereign pay a benefit?

Sovereign will pay a benefit if, in Sovereign's opinion, at any time during the *policy term*, the life assured has become *totally disabled* and remains so for a continuous period greater than the *waiting period*.

In addition, the life assured must be:

- > residing and *operating* their *business* in New Zealand immediately before becoming *totally disabled*; and
- > *actively involved* in their *business* immediately before becoming *totally disabled*.

The benefit is paid monthly in advance from the end of the *waiting period* until the life assured, in Sovereign's opinion, ceases to be *totally disabled*, or until the occurrence of any one or more of the events set out in Section 13.

Where the life assured has a *waiting period* of 8 weeks or less, is *totally disabled* due to injury and the nature of the injury is such that the life assured is expected to recover within a set period of time, Sovereign may choose to make a lump sum payment of up to 3 monthly benefit payments (after the *waiting period* and any offsets have been taken into account) and close the claim. This payment may be made during the *waiting period*.

If the life assured is still *totally disabled* at the end of the expected recovery period corresponding with the lump sum payment, then Sovereign will reopen the claim and pay a benefit in accordance with the provisions of this policy.

4. What amount will Sovereign pay for a benefit?

The amount that Sovereign will pay monthly is 1/12th of the sum assured shown in *the schedule*. In addition, Sovereign will also pay any *premiums* due under this policy while a benefit is being paid.

5. What does *totally disabled* mean?

In Sovereign's opinion, the life assured is *totally disabled*, if as a direct result of sickness or injury, he or she is:

- > under the regular and personal care of a *Registered Medical Practitioner*, and
- > unable to:
 - perform at least one important income producing duty of the role they were involved in immediately before the *disablement date* and is not working in that role; or
 - engage in the occupation they were involved in immediately before the *disablement date* for more than 10 hours per week; and
- > not working or engaged in any other occupation or business.

6. What is the Recurrent Disablement Benefit?

The *waiting period* will be waived if in Sovereign's opinion, after considering the advice of a *Registered Medical Practitioner* and other relevant information, the life assured becomes *totally disabled* again and this is caused by the same or a related illness or injury as the original period of total disablement, not later than 12 months after benefit payments related to the original claim ceased. The provisions in Sections 3, 4 and 5 will apply to any benefit claimed.

All claims resulting from the same or a related *disability* will be considered to be the same claim in respect of the *benefit payment period*.

7. Rehabilitation and Support

On receiving notification of a new or potential claim, we will appoint the life assured a Case Manager, who will work with the life assured to understand their personal situation and assist them with the claims process. They will work with the life assured to consider what rehabilitation or functional support could assist the life assured's return to work or improve their capacity to work, either during or after the *waiting period* as appropriate in the opinion of Sovereign.

Acceptance of any costs associated with the agreed rehabilitation and functional support by Sovereign does not mean that we will accept liability for any other benefit under this *appendix*.

8. What happens when you have had your policy for three years?

On the third anniversary of *your risk commencement date*, Sovereign will require you to provide financial accounts for *your business* (if you have not already done so) in order for the agreed value basis of *your cover* to continue.

If you provide financial accounts, the provisions of *your policy* (including section 4) will continue to apply but Sovereign may change *your sum assured* based on *your financial information*.

If you do not provide financial accounts, the provisions of *your policy* will continue to apply except that section 4 will be replaced by:

The amount that Sovereign will pay monthly is the lesser of:

- > 1/12th of the sum assured shown in *the schedule* less offsets as described below; or
- > 75% of the life assured's *pre-disability income* less offsets as described below.

Offsets:

- > Any other income replacement, rural income protection, business income protection, key person or mortgage protection benefits that any *person* receives or is entitled to receive from any sources in relation to the life assured and in respect of the same or a related *disability* (for example payments from ACC, Work and Income New Zealand (WINZ) or another insurer).
 - Where the life assured is covered by income replacement, rural income protection, business income protection, key person or mortgage protection benefits held with more than one provider, Sovereign will negotiate with the other provider(s) to determine the amount to be offset.
 - If the life assured is entitled to receive a benefit from ACC but is not receiving that benefit because the life assured has either not applied for the benefit, or has not provided all of the requirements necessary to assess the benefit, or the benefit has been stopped due to any non-compliance with ACC requirements, Sovereign will offset the full ACC entitlement regardless of whether the life assured is receiving a payment or not.
- > Any *income* before income tax, as a result of the life assured being *actively involved* in or actively carrying on *business*, other than passive income such as investment income, rental income or income earned by the *business* which cannot be attributed to the active involvement of the life assured.
- > The life assured's sick leave payments, subject to a maximum of 10 days' sick leave payments for all claims resulting from the same or a related *disability*.

In addition, Sovereign will also pay any *premiums* due under this policy while a benefit is being paid.

9. Policy transfer options

From one year after *your risk commencement date* you may apply to transfer to a relevant Sovereign Personal or Business income protection policy.

Please Note: If you are able to transfer to an income protection policy and you have previously been on claim under *your Start-Up Income Protection policy*, the condition(s) that you claimed for may be excluded under the new policy. This means you will be unable to make any further claims for that/those condition(s).

If you have any exclusions or loadings on *your existing Start-Up Income Protection policy*, these will also apply to *your new Sovereign Personal or Business income protection policy*,

regardless of the *benefit payment period* you choose for that new income protection policy.

10. Changing *your* sum assured

You may apply to Sovereign in writing at any time to increase or reduce *your* sum assured.

Sovereign does not have to accept an application for any increase in *your* sum assured. Any acceptance will depend on a number of factors, including the state of health of the life assured.

Any increase or reduction in *your* sum assured will start from the next *premium due date* after Sovereign accepts *your* application. *Your premium* will be recalculated based on Sovereign's underlying *premium* rates at that time.

11. How to make a claim

For any claims enquiries, advice about submitting a claim or before incurring any costs in respect to a claim, please phone the Sovereign Claims Team or *your* Sovereign Registered financial adviser for assistance.

Sovereign Claims Hotline: 0800 500 108

Sovereign will tell *you* about any other information that may be required once notice of the claim has been received.

Sovereign is under no obligation to consider a claim unless all of the information requested is provided. Furthermore, Sovereign is under no obligation to assess or pay a claim prior to receiving notification.

Sovereign may also ask *you* to undergo further medical examinations throughout the life of the claim. Any requests made by Sovereign for further medical information will be at our expense.

To make a Start-Up Income Protection claim, Sovereign will require:

- > the life assured to be examined by a *Registered Medical Practitioner* acceptable to Sovereign, before accepting liability for a claim; and
- > a Sovereign claims form completed by the life assured and a *Registered Medical Practitioner* (at *your* expense); and
- > other information which Sovereign may reasonably request to help assess the claim, which may include evidence of earnings, taxable *income*, *business* accounts, Accident Compensation Corporation details or similar; and
- > proof of financial information where applicable under Section 8; and
- > the life assured to undergo medical and/or surgical treatment (including any operation or vocational, medical and/or social rehabilitation programme) at *your* expense which the life assured's *Registered Medical Practitioner* or a *Registered Medical Practitioner* approved by

- > Sovereign considers necessary; and
- > any other information that Sovereign may deem relevant to the assessment of the claim.

12. Ongoing claim requirements

For ongoing claims Sovereign will regularly require:

- > Completion of a monthly medical certificate by a *Registered Medical Practitioner* (at *your* expense) and in a form from time to time approved by Sovereign for the purposes of determining ongoing entitlement to payment of a benefit.
- > Completion of a monthly individual declaration by the life assured in a form from time to time approved by Sovereign, which may include completion of daily activity logs detailing the life assured's functional activities for the purposes of determining ongoing entitlement to payment of a benefit.
- > Proof of any remunerated or non-remunerated work completed by the life assured during the claim period.
- > Any other information that Sovereign may deem relevant to the ongoing assessment of the claim.

13. When will Sovereign cease paying a benefit?

Sovereign will cease paying a benefit if:

- (a) The life assured fails to undergo and complete:
 - any surgical operation; and/or
 - any medical rehabilitation programme; and/or
 - any social rehabilitation programme; and/or
 - any vocational rehabilitation programme, which a *Registered Medical Practitioner* approved by Sovereign considers reasonably necessary.
- (b) The life assured fails to undertake any medical examinations that Sovereign requires the life assured to have, at our expense.
- (c) The life assured fails to comply with the requirements of Section 12 above.
- (d) Sovereign determines that the life assured is no longer *totally disabled*.
- (e) The *benefit payment period* expires in relation to the life assured.
- (f) The life assured or anyone acting on behalf of the life assured makes a false or *fraudulent* statement in respect of a claim or supports any claim with false evidence.
- (g) The life assured ceases to be *actively involved* in the *business*, unless the reason for this is related to the claim.
- (h) The life assured is in prison for any reason.
- (i) The life assured dies.

If Sovereign ceases paying a benefit in accordance with paragraphs (a), (b) or (c) and the life assured subsequently complies with the relevant requirement(s), then:

- > The date that the life assured complied with the relevant requirement(s) will, subject to the provisions of this policy, be treated as the *disablement date* for a new claim.
- > The *waiting period* will be waived for the new claim.
- > The original claim and the new claim will be considered to

be the same claim in respect of the *benefit payment period*.

- > No monthly benefit payments will be payable retrospectively for any period of time before the date that the life assured subsequently complies with the relevant requirement(s).

14. Exclusions – When Sovereign won't pay a benefit

Sovereign will not pay a benefit where any of the following directly or indirectly cause or contribute to the *total disability*.

- > The life assured deliberately injures himself or herself or attempts to do so.
- > The life assured engages in or is part of any conduct that is criminal.
- > The life assured does not comply with the treatment recommended by the attending treatment providers.
- > Pregnancy of, or childbirth by, the life assured, unless the *disability* lasts for more than 90 days after the end of pregnancy, in which case the *waiting period* will start from the 91st day.

If the life assured is imprisoned for any reason, no monthly benefit will be payable during the term of imprisonment.

15. When can your policy be cancelled?

Policy termination

This policy will terminate and eligibility for the Start-Up Income Protection Benefit will cease for the life assured:

- > At the expiry of the *policy term* for the life assured as shown in *the schedule*.
- > When the life assured dies.
- > If the life assured is no longer *actively involved* in the *business* for more than 60 days for reasons other than *total disablement*, unless Sovereign has been notified in writing and its written consent has been given for the continuation of the policy.
- > If the life assured sells his or her ownership interest in the *business*. However, if the life assured remains in the *business* as a key employee, *you* may apply to Sovereign in writing to continue the benefit. If the life assured is on claim and the reason for selling his or her ownership interest is due to the *total disability* of the life assured, the policy will remain in force until the life assured ceases to be *totally disabled* or the end of the *benefit payment period*, whichever is earlier.
- > If the *business* is wound-up or liquidated, unless Sovereign has been notified in writing and its written consent has been given for the continuation of the policy. However, if the life assured is on claim and the reason for the *business* being wound-up or liquidated is due to the *total disability* of the life assured, the policy will remain in force until the life assured ceases to be *totally disabled* or the end of the *benefit payment period*, whichever is earlier.
- > When the policy is cancelled by the policy owner.

When can you cancel your policy?

If for any reason *you* are not happy with this policy, *you* may return it to us within 15 days from the date *your* policy document is received. *You* will be deemed to have received *your* policy document three days after postage from Sovereign. Sovereign will promptly refund any *premiums* paid under *your* policy provided no benefit has been paid or any claim has been made. Alternatively, changes to *your* policy may be made and a replacement policy document issued.

You can cancel *your* policy at any time by giving Sovereign notice in writing. If *you* pay *your premium* less frequently than monthly, we will refund any part of a *premium* already paid that relates to any period more than one month beyond the date of cancellation. Otherwise, Sovereign does not have to refund any part of the *premium* *you* have paid. *You* will remain liable to pay any *premium* due on the policy before Sovereign received the cancellation notice.

You will not be entitled to any benefit under the policy from (and including) the date Sovereign receives notice of cancellation of the policy.

When can Sovereign cancel your policy?

Sovereign can cancel this policy if the *premium* has not been paid within 31 days of the *premium due date*.

If Sovereign issues *you* this policy with the understanding that it is to replace a policy *you* already have then *you* must cancel *your* existing policy. If *you* fail to cancel *your* existing policy, Sovereign can cancel this policy or decline liability for any claims made under this policy. A Business Replacement Advice (BRA), application form, illustration or quote which indicates this policy is intended to replace an existing policy will be sufficient evidence that *your* policy was issued on the basis that *you* would cancel the existing policy.

Sovereign can cancel this policy and decline liability for any claims made under this policy if *you* or any life assured, or anyone acting on *your* or any life assured's behalf, makes a claim under this policy that is false or fraudulent in any respect.

In the event that a false or fraudulent claim is established after payment of a claim, all amounts paid in relation to the false or fraudulent claim must be repaid by *you* to Sovereign.

Non-disclosure or the provision of false or misleading information

Any information *you* or any life assured gives us, and any information given to us on *your* behalf, must be complete, true and correct.

If *you* or any life assured:

- fails to disclose *material* information to Sovereign prior to inception of this policy or any variation or reinstatement of this policy, or
- has made a statement on the faith of which the policy was issued, renewed, varied or reinstated that was *substantially incorrect*.

Sovereign may, at its complete discretion either:

- subject to the Insurance Law Reform Act 1977, avoid

- *your* entire policy from its inception (this means the policy is deemed to have never existed); or
- avoid from its inception any individual benefits provided by *your* policy (this means the individual benefit(s) are deemed to have never existed); or
- alter the terms upon which cover is provided under *your* policy (such alteration of terms will be effective from the *risk commencement date* or such date of our choosing, at our discretion); or
- remove from cover any life assured from inception but leave the policy in force for the remaining lives assured.

If this policy is avoided or any terms altered or a life assured is removed from cover, we are entitled to retain all *premiums* paid in relation to the policy or that life assured.

16. Your premiums

To ensure *your* policy remains in force *you* must pay the *premium* on a regular basis as agreed with Sovereign.

The initial *premium* is shown in *the schedule*, the first payment is due to Sovereign on the first *premium due date*.

The *premium* amount may change from time to time (as described below) and *you* will need to pay the new *premium* on the agreed regular basis. Sovereign will advise *you* of the new *premium* before the change.

Change in premium amount

Your premium will be recalculated at each *anniversary date* based on:

- > the age of the life assured; and
- > the sum assured shown in *the schedule*; and
- > Sovereign's underlying *premium* rates at that time.

Method of paying premiums

You must pay all *premiums* to Sovereign at its head office in New Zealand (see Section 15 for Sovereign's address).

Premiums are normally paid by direct debit or credit card. Alternatively, *you* can pay *premiums* by cheque. *Premium* payments are not effective until after they have been credited and cleared to Sovereign's bank account.

How will you know what to pay?

Each year prior to the *anniversary date*, Sovereign will write to *you* and tell *you* how much the *premium* will need to be to maintain *your* existing cover.

If Sovereign tells *you* that *premiums* need to increase to maintain *your* existing benefit amount, *you* can choose to:

- > increase the *premium* to maintain the existing benefit amounts; or
- > reduce the benefit amount to the amount which *your* existing *premium* will cover.

Other circumstances that can change your premium

The other circumstances in which *your premium* will change are as follows:

- > When *you* increase or reduce the amount of benefit under the policy.
- > When the benefit ceases due to the life assured covered for the benefit attaining the benefit expiry age as specified in *the schedule*.
- > Any changes to the tax treatment of any *premium* payable or claims receivable in respect of the policy (such as changes to GST).

What happens if you do not pay the premium on time?

You have 30 days' grace in respect of any *premium* due. Sovereign will be entitled to cancel *your* policy by written notice to *you* at *your* last known address if a *premium* remains outstanding 31 days after a *premium due date*.

If *you* want to have the policy reinstated, *you* must write to Sovereign. Sovereign does not have to reinstate the policy but may do so on any conditions it considers appropriate.

If a benefit is payable under the policy when the *premium* is overdue, Sovereign may deduct any overdue *premium* from the benefit.

17. Other important information

What forms part of this policy contract?

All the terms of this policy are contained in and based on:

- > This policy document including *the schedule* and any alterations made to this policy document as permitted under the policy.
- > Any application forms and declarations made by *you*, at any time, concerning this policy.

- > Any provisions which any legislation states must be included in this contract, unless those provisions can be contracted out of, in which case they are deemed not included.

Nothing else forms part of this contract.

Law changes affecting Sovereign or the policy

If changes in the law occur after the *risk commencement date* and Sovereign believes on reasonable grounds that those changes will affect:

- > Sovereign's liability to pay any tax; or
- > the tax treatment of any *premiums* payable or claims receivable in respect of the policy; or
- > the way in which the policy works or the amount which can be paid under the benefit;

then Sovereign can change the provisions of the policy, but only to take into account the effect of the law change.
