## **DUTY OF DISCLOSURE – please read BEFORE completing application**

### **WHAT YOU NEED TO TELL US**

1. **ANSWER ALL QUESTIONS COMPLETELY** – You must answer all questions as fully as you can. This will include any detail relating to your current and past circumstances. We must have all the information we need to be able to make a decision on whether to insure you and your family and on what terms.
2. **ALWAYS BE HONEST** – You must be truthful on your application for insurance. You must answer the questions truthfully and complete and correct any information, including your health or medical history. If you or your family are diagnosed with a medical condition after the date of your application, you must let us know before we agree to the terms of cover we may offer you. If we offer to cover your family, you will all be insured on the basis of the information you have provided us with.
3. **TELL US, IF YOU DON'T KNOW SOMETHING** – If you don't know something then please put this on your application for insurance. We may need to obtain the information from somewhere else. By signing this declaration and consent, you give us your consent to get this information.
4. **UNDERSTAND WHAT YOU ARE SIGNING** – When you sign this declaration form you are telling us that you understand the questions and you have answered the questions truthfully and to the best of your knowledge. Your answers may influence our decision about your policy. If you are unsure about any of your answers that may influence our decision about your policy, you must ask your adviser or us before signing the declaration.
5. **IF YOU ARE UNSURE, TELL US** – The law does not distinguish between innocent or deliberate non-disclosure. If you are unsure as to whether to tell us about any information, please include it on the form as it may be important to us. If you are completing this form on behalf of someone else, it is important that you check the information is correct and nothing has been left out.
6. **UNDERSTAND WHAT YOU ARE CONSENTING TO** – We are only able to request information that we need to assess your application for insurance or for payment of a claim. You have the right to access any information we hold about you, and if it is wrong, correct it. You can do this at any time.
7. **UNDERSTAND HOW NON-DISCLOSURE AFFECTS CLAIMS** – We will look further into your personal history when you make a claim. If we find out that you have not provided us with correct or material information, we may choose to void your policy and decline your claim at our discretion. We may also choose to change the terms of your insurance policy. The new information does not have to be related to your claim for us to choose to void your policy from inception. If we void your policy from its inception, this means that you would not be able to make a claim as no policy would exist. In addition, all premiums will be forfeited.
8. **PROVIDE US WITH MORE INFORMATION AT CLAIM TIME** – We might need to get more information from you or another party if you make a claim. We may need to call you, ask you to fill out another form, or ask you to have a medical test. Sometimes we will need to get information from other people who may include your doctor, your employer, ACC, or other government departments. By signing this consent form, you give us your consent to do this.
9. **DON'T BE AFRAID TO ASK US** – If there is anything you are not sure of, don't be afraid to ask us or correct it. Contact your adviser, or phone AIA New Zealand on 0800 800 242.

## Replacement Policy Advice for Policy Owners

**Policy Owner to Read and Complete (Please read before you sign the Acknowledgement and Declaration below)**

### Making an Informed Decision

The Financial Advisers Act requires Advisers to exercise care, diligence and skill when providing clients with financial advice. That advice should include an accurate explanation of the differences between your existing and proposed policy / benefit, the advantages and disadvantages of any benefit replacement, and the reasons why replacement is your best option. This comparison should consider key aspects of your policy / benefit, such as:

**Your Personal Situation** – Changes in your health, leisure activities or occupation may mean your new policy contains restrictions or exclusions that your old policy doesn't have. Similarly, any improvements in your health or lifestyle may mean improved terms and conditions.

**Benefit Definitions** – There can be subtle differences in the definitions used between policies including medical conditions, employment, occupational and disablement etc. Take care to understand what your existing policy / benefit covers and what you will be covered for under the new policy / benefit.

**Cost** – If there have been changes to your personal situation since the original policy / benefit was taken out, the new policy / benefit may cost more to get the same or similar benefits. Alternatively, if your personal situation has improved or remained the same, the premiums for the new policy / benefit may be lower.

### Important Information

In a new policy the Suicide Exclusion Clause may recommence or the waiting period for trauma condition benefits may recommence. AIA New Zealand will not be on risk until the original insurance cover being replaced by this policy is cancelled.

When replacing one policy with another, it is imperative that the new insurer be provided with the opportunity to assess your application accurately. For that reason it is vital that you provide full and accurate information regarding your health, occupation and pastimes. Provided the above has been done, the new insurer will issue the new policy to the same levels of cover without the stand-down period or suicide exclusion, which would normally apply.

**I am / We are also aware I / we may withdraw this application in writing within the 14 day "free look" period from the date the new policy is received. In this event, AIA New Zealand will refund any premium, deposit or other payment made in respect of the proposed replacement policy and the proposed replacement policy will be cancelled.**
